

Evidencing the impact of the Primary PE and Sports Premium Sports Premium Funding Report 2019 – 2020

What is the Sports Premium funding?

The Government is providing funding to improve provision of physical education (PE) and sport in primary schools. The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas, which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. Churchill Gardens Primary Academy received £17680 in the school year 2019/2020.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, through:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- new or additional sport clubs
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils in after school sport clubs and holiday clubs.

Churchill Gardens Primary Academy uses the funding to:

- Buy exciting and stimulating resources to facilitate the teaching of PE (£500)
- Provide opportunities at lunch to participate in structured sessions and training for staff (£750)
- Entry into Westminster sports hub and related costs such as cover and overtime (£1500)
- Provide coaching before and after-school from a sports specialist (£5150)
- Pay overtime for staff to run/supervise sports clubs (£700)
- Provide swimming for Y2 in addition to their PE provision (£2360)
- Provide water based sports activities (£6720)

Impact of the funding:

- Pupils experience a diverse range of sports. The sports provided will be football, netball, multi-sports, cricket, athletics, cross country running, hockey, and basketball, swimming, sailing and kayaking.
- All pupils are exercising daily. Pupils have at least 200minutes of structured play per week plus 100 minutes of high quality PE a week.
- PE and sports has a high profile across the school, with events and achievements shared with parents in the weekly bulletin.
- Behaviour at lunchtimes has improved.
- Pupils had an opportunity to compete in school games and competitions, successes are shared in weekly bulletins.
- Y2 pupils had all made significant progress within their swimming lessons Only a handful could swim before they started lessons so the lessons promoted excellent progress with nearly all pupils able to swim the width of the pool
